SUMMARY

Passionate and detail-oriented aspiring Full Stack Developer with hands-on experience in developing responsive and user-friendly web applications. Currently pursuing an internship at BDreamz Global Solutions Pvt Ltd, Chennai, where an E-Commerce and Retail Management System was developed as part of real-time project work. Also developed an Event Management Platform with dynamic management features and database integration. Seeking a Full Stack Developer role to apply technical knowledge and contribute to innovative software solutions.

INTERNSHIP

BDreamz Global Solutions Pvt Ltd

Ongoing Full Stack Development Internship

Jan 2026 – Present

Chennai, India

- Developed an E-Commerce and Retail Management System with features including product management, order handling, and database integration. Gaining practical exposure to responsive web development, backend functionalities, and real-time software development practices in a professional environment.

PROJECTS

• Smart Enterprise Event Management Platform

Java · MySQL · HTML · CSS · JavaScript · Bootstrap

Developed a full-stack Enterprise Event Management Platform to manage events, attendees, tasks, and budgets efficiently. Implemented real-time CRUD operations, dynamic dashboards, task tracking, and responsive UI with MySQL database integration.

• E-Commerce and Retail Management System

HTML · CSS · JavaScript · Bootstrap · Java · MySQL · Spring Boot

Built a production-ready e-commerce web application with MVC architecture featuring role-based authentication (Admin/User), product catalog with CRUD operations, cart management, order processing, and secure payment workflow simulation. Implemented layered architecture using Spring Data JPA and BCrypt-based security with responsive Thymeleaf UI. Admin dashboard included inventory management, order tracking, analytics, and real-time revenue insights.

• AI-Powered Resume Builder and Portfolio Generator

HTML · CSS · JavaScript · Bootstrap

Developed a modern web application that allows users to create professional resumes and portfolio pages through an interactive and responsive interface. The application includes live preview functionality, customizable templates, and user-friendly form handling to provide a seamless experience across different devices.

SKILLS

- **Frontend Technologies:** HTML, CSS, Bootstrap
- **Programming Languages :** Java, JavaScript
- **Database :** MySQL
- **Tools:** VS Code, Eclipse IDE
